LEBANON WEB AWARDS 2008 WINNERS

We proudly announce that Boecker's websites, www.boecker.com and www.eat-safe.com, were awarded as one of best 3 websites in their categories in **Lebanon Web Awards 2008** which took place in Regency Palace Hotel, Adma.

This event plays an important role in the national and Lebanon IT industry encouraging companies to presenting more creative websites to provide a global exposure to their outstanding efforts. Representatives of all participant companies attended the ceremony, in addition to many social and media VIPs.

In addition, www.boecker.com won a very special award, **THE STRATEGIC WEBSITE**. This award was granted to Boecker® as a result of the website's success to be as a reference site of the Public Health field.

www.boecker.com and www.eat-safe.com are now qualified to participate in **PAN ARAB WEB AWARD** which involves all Arab countries; it will take place in Burj Al Arab, Dubai, in April 2009. By then, both websites will be well developed, have new layouts, and contain additional services and applications.

Boecker® thanks all who were behind the tremendous success of the websites, hoping to achieve even better results in the **Pan Arab Web Awards 2009**.
